

# Cris Cab, Just Wanna Love You (ft. J. Balvin)

I don't know what you're saying  
it's not that complicated  
so why don't we just clear the air?  
all this time we're wasting  
and I've been more that patient  
it feels like you don't seem to care

the moment my life I know  
she would be looking  
I just can't let you go

baby, I just wanna love you  
want to love you  
I've got to love you  
baby, I just wanna love you  
want to love you  
got to love you  
baby, I just wanna

baby, I just wanna  
baby, I just wanna  
baby, I just wanna

y no te decides  
hay algo en tu pasado que impide  
si alguien te fallo  
no es mi culpa, no  
ni dudaria end arte mi vida, no  
tu lo compendes?  
deja fliur ja que el viento se lo llevo  
asi que vente  
y cae en la tentacion hoy  
solo somos tu y yo  
quitate la tension  
no le des mente

y cae en la tentacion hoy  
solo somos to y yo  
tu eras mia con todos mis papeles

baby, I just wanna love you  
want to love you  
I've got to love you  
baby, I just wanna love you  
want to love you  
got to love you  
baby, I just wanna

baby, I just wanna  
baby, I just wanna  
baby, I just wanna

baby, I just wanna love you  
want to love you  
I've got to love you  
baby, I just wanna love you  
want to love you  
got to love you  
baby, I just wanna

baby, I just wanna  
baby, I just wanna  
baby, I just wanna
