

Crosby & Nash, D

Dj Vu Lyrics

by David Crosby

If I had ever been here before I would probably know just what to do
Don't you?

If I had ever been here before on another time around the wheel
I would probably know just how to deal
With all of you.

And I feel

Like I've been here before

Feel

Like I've been here before

And you know

It makes me wonder

What's going on under the ground

Do you know?

Don't you wonder?

What's going on down under you.

We have all been here before

We have all been here before

We have all been here before

We have all been here before
