

CYN, Something

[Verse 1]

You said you've never been melted before
Your hearts never really dripped on the floor
You don't think that I could make you liquid
I could make a love that's just so: fluid
You said you've never been melted before
Never have you had your heart on the floor
I could do it
Well I know I could do it
Maybe I'd surprise you, let's get right to it

[Chorus]

I know I will x3
Well I know I will

[Verse 2]

Never have you been impressed by all that
Don't need a girl who fucks with all the frats

[Chorus]

Well I don't
No I don't

[Verse 3]

Never have you been impressed by all that
Looking for girls who've got all of that depth

[Chorus]

Well I do
Oh yes I do
Well I know I will
I know I will x2
Impress you [I do]
I know I will x4
