

# D.A.R.K., Watch Out

something dark in your heart  
winks at me with a smile  
simply wrong from the start  
can't control this desire

we've lost the war  
the less is more  
and on and on  
this demon is taking measures

Watch Out  
I'm bleeding  
Watch Out  
I'm bleeding  
This time I'm leaving  
Running from you  
This time I'm leaving  
something cruel in your eyes

....  
we committed a crime  
and we have to pay

we've lost the war  
the less is more  
and on and on  
this demon is taking measures

Watch Out  
I'm bleeding  
Watch Out  
I'm bleeding  
This time I'm leaving  
Running from you  
This time I'm leaving
