

D-Side, I'd Be Lyin

I still remember how your lips felt
And how your kiss melted mine
Oh baby
I still get shills when I hear our song
'cause it takes me back in time
I lie awake and your memory haunts me
I start to shake 'cause it kills me you don't want me

[Chorus:]

If I told you that I don't wanna hold you

I'd be lyin'

'cause I'm dying for you

If I told you it don't hurt me to see you again

I'd be lyin'

'cause I'm cryin' for you

I miss the touch of your body so much

That I'm ready to jump outta my skin

The way you move makes me crazy

I know

That we'll never be together again

If tears me up when I think of your smile, girl

And all the love that's been missin' from my world

[Repeat chorus]

I never told you a lie before

And I won't start now, don't know even how

'cause girl I'd be lyin', oh I've bee dyin', I'd be lyin' to you

[Chorus]
