Damned, Suicide

There's too much confusion for a young man to take Look at my eyes that ain't easy to fake I've got no spirit left to break I'll slash my wrists ain't no mistake

Help me Oh help me Help me Oh help me

Suicide suicide it's happening again Suicide suicide I'm losing my brain Suicide suicide what can I do I'm gonna kill myself because of you

I've lost track of logical thinking I'm sitting in a room not even blinking Into the darkness I am sinking About to hear the angels singing

Help me Oh help me Help me Oh help me

Suicide suicide it's happening again Suicide suicide I'm losing my brain Suicide suicide what can I do I'm gonna kill myself because of you

My mind's going round faster and faster The scripts been read and there's no disaster I was in with a chance but I'm a bastard I'm lying awake in a hospital plaster

Help me Oh help me Help me Oh help me

Suicide suicide it's happening again Suicide suicide I'm losing my brain Suicide suicide what can I do I'm gonna kill myself because of you
