

Damon Albarn, Mr. Tembo

?

Can sing to you?

Bur Mr. tempo what is get to do?

But first I going back to the co-work float

To find the mission

And help him with this load

Mr. Tempo sun s up in the hill

With only this song to tell you how we feels

But together He will need a helping hand

It?s where he is now and but it wasn?t where he had planed
