

# DARIA, Feelings (Daria Marx)

Told you I was doing fine  
You don't have to be the one  
To always hold me when I'm feeling down

You know it 'aint easy  
When I'm thinking I get dizzy  
But my brain is something  
I can naver ...

We had our way, ups and downs  
Still you always stick around  
Even when I'm like a child  
Only then I find a courage to speak out

I never tell you I got feelings  
I never tell you I got feelings  
'Cause you make me so shy  
You do  
You do

I never tell you how I'm missing  
I never tell you I'm missing you  
'Cause you make me so shy  
You do  
You do
