Sitting in the Dschungel On Nurnberger strasse A man lost in time near KaDeWe Just walking the dead

Where are we now? Where are we now? The moment you know You know, you know

Twenty thousand people Gross Bose Brucke Fingers are crossed Just in case Walking the dead

Where are we now?
Where are we now?
The moment you know
You know, you know
As long as there?s sun
As long as there?s rain
As long as there?s rain
As long as there?s fire
As long as there?s fire
As long as there?s me
As long as there?s me
As long as there?s you
