

# David Gilmour, Comfortably Numb (With Bob Geldof)

(Gilmour / Waters)

Hello,  
Is there anybody in there  
Just nod if you can hear me  
Is there anyone at home  
Come on now  
I hear you're feeling down  
I can ease your pain  
And get you on your feet again  
Relax  
I'll need some information first  
Just the basic facts  
Can you show me where it hurts

There is no pain, you are receding  
A distant ship smoke on the horizon  
You are coming through in waves  
Your lips move but I can't hear what you're saying  
When I was a child I had a fever  
My hands felt just like two balloons  
Now I've got that feeling once again  
I can't explain, you would not understand  
This is not how I am  
I have become comfortably numb

O.K.  
Just a little pin prick  
There'll be no more aaaaaaaah!  
But you may feel a little sick  
Can you stand up?  
I do believe it's working, good  
That'll keep you going through the show  
Come on it's time to go.

There is no pain you are receding  
A distant ship smoke on the horizon  
You are only coming through in waves  
Your lips move but I can't hear what you're saying  
When I was a child  
I caught a fleeting glimpse  
Out of the corner of my eye  
I turned to look but it was gone  
I cannot put my finger on it now  
The child is grown  
The dream is gone  
And I have become  
Comfortably numb.
