

# David Gilmour, There's No Way Out Of Here

(K. Baker)

There's no way out of here  
When you come in  
You're in for good  
There was no promise made  
The part you played  
The chance you took  
There are no boundaries set  
The time and yet  
You waste it still  
So it slips through your hands  
Like grains of sand  
You watch it go  
There's no time to be lost  
You'll pay the cost  
So get it right  
There's no way out of here  
When you come in  
You're in for good  
There never was there an answer  
There an answer  
Not without listening  
Without seeing  
There are no answers here  
When you look out  
You don't see in  
There was no promise made  
The part you played  
The chance you took  
There's no way out of here  
When you come in  
You're in for good  
There never was there an answer  
There an answer  
Not without listening  
Without seeing  
There's no way out of here  
When you come in  
You're in for good  
There was no promise made  
The part you played  
The chance you took  
There's no way out of here  
When you come in  
You're in for good  
There's no way out of here  
When you come in  
You're in for good  
There are no answers here  
When you look out  
You don't see in  
There's no way out of here  
When you come in  
You're in for good
