

# David Guetta, 2U (ft. Justin Bieber)

No limit in the sky that I won't fly for you  
No amount of tears in my eyes  
That I won't cry for you  
Oh No!

With every breath  
That I take  
I want you to share that air with me  
There's no promise  
That I won't keep  
I'll climb a mountain  
There's none too steep

When it comes to you  
There's no crime  
Let's take both  
Of our souls and intertwine  
When it comes to you  
Don't be blind  
Watch me speak from my heart  
When it comes to you  
comes to you

Cupid in a line  
Arrow got your name on it  
Don't miss out on a love and regret yourself on it

Open up your mind  
Clear your head  
Ain't gotta wake up to an empty bed  
Share my life  
It's yours to keep  
Noe that I give to you all of me

When it comes to you  
There's no crime  
Let's take both  
Of our souls and intertwine  
When it comes to you  
Don't be blind  
Watch me speak from my heart  
When it comes to you  
comes to you
