## David Guetta & amp; Chris Willis, Gettin Over You

[Fergie]

All the things I know right now If I only knew back then There's no gettin' over No gettin over' There's just no getting over you.

[Chris Willis]

Wish I could spin my world into reverse, Just to have you back again There's no gettin' over There's no gettin' over There's just no gettin' over you (you)!

[LMFAO]

We're back

Hey hey I cant forget you baby
I think about you everyday
I tried to mascarate the pain
Thats why im next on the booth
D-d-d dance to the groove
There is no there is no getting over you.
Baby it feels so right

To dance to the beat up night

The heat between you and I retreat to the morning light

We like to live like class

And pour them shots up in the glass

But there is no, there is no getting over you.

I'm a party, and party and party and party...

And party and party and party...

I'm a party, and party, and party...

And party, and party, and party...

[Fergie]

All the things I know right now If I only knew back then There's no gettin' over No gettin over' There's just no getting over you.

[Chris Willis]

Wish I could spin my world into reverse, Just to have you back again There's no gettin' over There's no gettin' over There's just no gettin' over you (you)!

[LMFAO]

I'm a party, and party and party and party... And party and party and party... I'm a party, and party and party and party... And party and party and party...

[Fergie]

People in the place
If you ever felt love
Then you know (x2) what I'm talking about
There is no getting over
Aaaaaahhhhhh

[LMFAO]

I'm a party, and party and party and party... And party and party and party... I'm a party, and party and party and party... And party and party and party... it just no getting over you
