

# David Guetta, Love Is Gone

What are we supposed to do  
After all that we've been through  
Where everything that felt so right is wrong  
Now that the love is gone

There is nothing else to proof  
Now you still deny the simple truth  
Can't find the reason to keep holding on  
Now that love is gone

There is nothing else to proof  
Now you still deny the simple truth  
Can't find the reason to keep holding on  
Now that love is gone  
Love is gone...  
Love is gone...  
Love is gone...  
Love is gone...

Love is gone...  
Love is gone...  
Love is gone...

Now that the love is gone  
The love felt so right so wrong  
Now that the love is gone

I feel so hurt inside  
Feel so hurt inside  
Got to find a reason

What are we supposed to do  
After all that we've been through  
Where everything that felt so right is wrong  
Now that the love is gone

There is nothing else to proof  
Now you still deny the simple truth  
Can't find the reason to keep holding on  
Now that love is gone  
Love is gone...

Got to find a reason  
Got to find a reason  
Got to find a reason  
Got to find a reason  
Got to find a reason  
To hold on

Love...  
There's nothing left for us to say  
Love...  
Why can't we gently walk away

What are we supposed to do  
After all that we've been through  
Where everything that felt so right is wrong  
Now that the love is gone

There is nothing else to proof  
Now you still deny the simple truth  
Can't find the reason to keep holding on  
Now that love is gone  
Love is gone...

What are we supposed to do  
After all that we've been through  
Where everything that felt so right is wrong  
Now that the love is gone  
Love is gone...
