

David Guetta, Love Is Gone (Original Mix)

Now that the love is gone!

What are we supposed to do?
After all that we've been through
When everything that felt so right is wrong
Now that the love is gone (love is gone)

(Chorus)
What are we supposed to do?
After all that we've been through
When everything that felt so right is wrong
Now that the love is gone

There is nothing left to prove
No use to deny this simple truth
Can't find the reason to keep holding on
Now that the love is gone (love is gone)

Now that the love is gone
What felt so right's so wrong
Now that the love is gone

I feel so hurt inside
Feel so hurt inside
Got to find the reason

(Chorus)

Got to find a reason, got to find a reason... (Repeat)
Got to find a reason to hold!!

Love
There's nothing left for us to say (yeah)
Love
Why can't we turn and walk away

(Chorus x2)

Love is Gone!
