

David Guetta & Sia, Flames

one foot in front of the other babe
one breath leads to another
just keep moving
look whiten for the strength today
listen out for the voice to say
just keep moving

go, go, go
figure it out
figure it out
oh my love
don't stop
gonna end them up in
you can do this

so my love
keep on running
you gotta get through today
there my love
keep on running
gotta keep those tears art bay
my love don't stop burning
gonna send them up in the flames
in flames

don't stop
tomorrow another day
don't stop
tomorrow you'll feel no pain
just keep moving
don't stop
the past will trip you up
you know right now's gotta be enough
just keep moving

go, go, go
figure it out
figure it out
oh my love
don't stop
gonna end them up in
you can do this

so my love
keep on running
you gotta get through today
there my love
keep on running
gotta keep those tears art bay
my love don't stop burning
gonna send them up in the flames
in flames

in flames
in flames
go, go, go
figure it out
figure it out
don't stop moving
go, go, go
figure it out
figure it out
you can do this

so my love
keep on running
you gotta get through today
there my love
keep on running
gotta keep those tears art bay
my love don't stop burning
gonna send them
