

David Guetta & Sia, Let's Love

Let's Love
Let's Love
Let's Love
Let's Love
Let's Love

I will never
Leave your side
My love
Standing right beside you
Is enough
Call on my if you feel any pain
Call to me
I will run to you again

You can count on me
And i can count on you
You show up like i show up
And i keep showing up for you

So take my hand
Don't be afraid
This too shall pass
This too shall pass
And we'll get through it all together
We;ll get through it all together
Swear you're safe
This too shall pass
This too shall pass
And we'll get through it all together
We'll get through it all together

Let's Love
Let's Love
Let's Love
Let's Love
Let's Love
Let's Love
And we'll get through it all together
We;ll get through it all together
Let's Love

I will never
Leave your side
My love
Standing right beside you
Is enough
Call on my if you feel any pain
Call to me
I will run to you again

So take my hand
Don't be afraid
This too shall pass
This too shall pass
And we'll get through it all together
We;ll get through it all together
Swear you're safe
This too shall pass
This too shall pass
And we'll get through it all together
We;ll get through it all together

Let's Love

Let's Love
Let's Love
Let's Love
Let's Love
Let's Love
And we'll get through it all together
We;ll get through it all together
Let's Love
