

# David Guetta, Stay (Don't Go Away) feat Raye

(Stay)  
(Don't go away, don't go)  
(Don't go away, don't go)  
(Stay)  
Don't go away, don't go away, don't go away, stay  
Babe, I save a place for you  
I got a place for two  
Don't go away, don't go away

You don't even have to try  
No other lips can make me cry  
But there is something 'bout the way you look  
Something from my heart you took tonight  
And I don't mind (Stay)

And I want this, tell me if you want this  
Baby, do you want this? Uh-huh  
Baby, when you got this, love me in a tank top  
I can make it topless, uh-huh  
And you wanna try me, baby, will you try me  
If you wanna cop this? Uh-huh  
Don't go away, don't go away (Don't go away) (Stay)

Don't go away, don't go away  
I need you, babe (Stay)  
Don't go away, I love the taste  
So stay the same, uh  
Babe, I save a place for you  
I got a place for two  
Don't go away, don't go away  
I need you to (Stay)

A lot of people here tonight  
But I don't need them in my life  
There is something 'bout this chemistry  
So go on, take the rest of me, alright  
And I don't mind (Stay)

And I want this, tell me if you want this  
Baby, do you want this? Uh-huh  
Baby, when you got this, love me in a tank top  
I can make it topless, uh-huh  
And you wanna try me, baby, will you try me  
If you wanna cop this? Uh-huh  
Don't go away, don't go away (Don't go away) (Stay)

Don't go away, don't go away  
I need you, babe (Stay)  
Don't go away, I love the taste  
so stay the same, uh  
Babe, I save a place for you  
I got a place for two  
Don't go away, don't go away  
I need you to (Stay)

(Don't go away, don't go)  
(Don't go away, don't go)  
(Babe, don't go away, don't go)  
(Don't go away, stay)

Babe, I save a place for you  
I got a place for two  
Don't go away, don't go away  
I need you to (Stay)

There's something about you, baby  
The way you look me in my eyes  
It would kill me to watch you walk away, so  
Stay by my side (Aah)  
(Don't go away, don't go away, don't go away) (Stay)

Don't go away, don't go away  
I need you, babe (Stay)  
Don't go away, I love the taste  
So stay the same, uh  
Babe, I save a place for you  
I got a place for two  
Don't go away, don't go away  
I need you to (Stay)

(Babe, don't go away, don't go)  
(Don't go away, stay)  
(Babe, don't go away, don't go)  
(Don't go away, stay)

Babe, I save a place for you, uh-huh  
I got a place for two, uh-huh  
Don't go away, don't go away  
I need you to (Stay)
