

David Hasselhoff, True Survivor

Dominos falling,
Riot in the streets
Baby this time
There's no retreat
There's no surrender

A devil is rising
A shadow from the past
Feeding the flames with fire
On the edge of fury

All the time running in and out of time
Hear the ticking on the countdown clocks tonight

Girl we need some
Girl we need some
Action!
If we gonna make it like a true survivor
We need some action
If we wanna take our love away from here
We need a living passion
To believe in
Burning hearts and a brand new feeling
Action!
If we gonna make it like a true survivor

Crawling from the ashes
The Fenix rise again!
Fighting for life, for good
For all that we believe in

Girl we need some
Girl we need some
Action!
If we gonna make it like a true survivor
We need some action
If we wanna take our love away from here
We need a living passion
To believe in
Burning hearts and a brand new feeling
Action!
If we gonna make it like a true survivor

The hero stands alone
When all is said and done
The enemies are falling
One by one

All the time running in and out of time
Hear the ticking on the countdown clocks tonight

Girl we need some
Girl we need some
Action!
Action!
Action!
If we gonna make it like a true survivor
We need some action
If we wanna take our love away from here
We need a living passion
To believe in
Burning hearts and a brand new feeling
Action!
If we gonna make it like a true survivor

True Survivor, True Survivor!
