

David J, Rest Of Your Life

What are you doing for the rest of your life
I don't need another day to know this is right
I'm not, not tryna rush you but I'm done wasting time
So, tell me, what are you doing for the rest of, for the rest of your life

I've been lost and I've been down every broken road
Never thought I'd find a smile that I call home
But then here came you like you don't give a damn
One night turned to two, turned to changing my plans
Now I'm wondering

What are you doing for the rest of your life
I don't need another day to know this is right
I'm not, not tryna rush you but I'm done wasting time
So, tell me, what are you doing for the rest of, for the rest of your life

Started with your name
I trusted God he would do the rest
Now you're something more than a kiss I won't forget
Yeah, here came you changing all of my plans
Oh, one night turned to two, turned to me taking your hand
Now I'm wondering

What are you doing for the rest of your life
I don't need another day to know this is right
I'm not, not tryna rush you but I'm done wasting time
So, tell me, what are you doing for the rest of, for the rest of your life

What are you doing for the rest of your life
I can't help but picture you all dressed up in white

What are you doing for the rest of your life
I don't need another day to know this is right
I'm not, not tryna rush you but I'm done wasting time
So, tell me, what are you doing for the rest of, for the rest of your life

What are you doing for the rest of your life, oh
What are you doing for the rest of your life, oh
What are you doing for the rest of, for the rest of your life
