

# Dawid Kwiatkowski, I'M WITH THE GIRL (feat. TAE

I wake up for my mind to it  
I found all the ways you try to hide  
Bring them all  
I can't read it  
You fix it up  
With the liquor and wine

Rose gold, but I couldn't  
A little something just to get you inside  
Yah, you entries me  
But thank you,  
Let the time flee

Girl, you be too late  
Got me cut no fuses  
I don't need you too since  
Cuz

I'M WITH THE GIRL  
I'M WITH THE GIRL  
I'M WITH THE GIRL  
I'M WITH THE GIRL  
You can get over  
I'M WITH THE GIRL  
I'M WITH THE GIRL  
I'M WITH THE GIRL  
I kiss the girl just over you

Everything to lose  
Get goott in the view  
I'M WITH THE GIRL  
I'M WITH THE GIRL  
I'M WITH THE GIRL  
I'M WITH THE GIRL  
You can get over

[feat: TAELORE YUNG]

I'm out of breath  
We're out of time  
But you still act  
Like you're mine  
How do I see  
It wasn't right  
I never felt you by my side

I'M WITH THE GIRL  
I'M WITH THE GIRL  
I'M WITH THE GIRL  
I'M WITH THE GIRL  
You can get over  
I'M WITH THE GIRL  
I'M WITH THE GIRL  
I'M WITH THE GIRL  
I kiss the girl just over you

Everything to lose  
Get goott in the view  
I'M WITH THE GIRL  
I'M WITH THE GIRL  
I'M WITH THE GIRL  
I'M WITH THE GIRL  
You can get over
