Tra la la la Suzy

(Tra la la la Suzy)

(Tra la la la Suzy)

(Tra la la la Suzy, she's the girl for me)

Oh, ya love little Sue so, but you can't let Sue know  
You're afraid little Suzy might turn her back on you  
After school you'll miss her, how you long to kiss her  
ah-She's the loveliest, prettiest, sweetest little girl you ever knew

(I call her Tra la la la Suzy) Keep on callin' her

(Tra la la la Suzy) Don't quit callin' her

Tra la la la Suzy, she's the girl for me

You get so discouraged, if you just had courage  
Oh, you would ask little Suzy to go out on a date  
So today when you pass her, then you oughta ask her  
Yay, and I just hope you haven't waited too late

Today your (Tra la la la Suzy) Keep on callin' her

(Tra la la la Suzy) ah-Don't quit callin' her

Tra la la la Suzy, she's the girl for me

So you asked little Suzy for a date for Tuesday  
Oh, and she said "Yes, what made you wait so long?"  
And now her books you'll carry and pretty soon you'll marry  
Oh, yeah, you'll go through life and keep on singin' this song

I love my (Tra la la la Suzy) Keep on callin' her

(Tra la la la Suzy) ah-Don't quit callin' her

Tra la la la Suzy, she's the girl for me

(I love my Tra la la la Suzy) ah-Keep on callin' her

(Tra la la la Suzy) ah-Don't quit callin' her
