

Deeci, LET'S GO BACK (FEAT. ORGANIZ)

LET'S GO BACK to night
I told you
If you be together we never fall
Don't look back and than I'll show you
We can be together
If you meaning so

Hands up it's Friday night
My party girl, she's looking fine
A couple of drinks
Music loud
Dirty beach
Crazy sound, yo!
Show me love and curse
When you're dance like this
Party go
It's time to get kicked
All about chill it, tonight
Tell me that you ready to ride!

LET'S GO BACK to night
I told you
If you be together we never fall
Don't look back and than I'll show you
We can be together
If you meaning so
