

Default, Beautiful Flower

There you go creeping in your in my head once again it's a rush head to toe it's never enough don't
come tomorrow see ya sorrow a taste of heaven all your livin'

theres a thousand reasons to leave but there's just one reason to stay

my beautiful flower you've got the power i stopped holding on you keep pulling me in my beautiful f
my darkest hour think i'm getting out 'til i see you again

where's my fate taking me my mistakes breaking me here i come chasing you in a rule without of y
do i belong here it feels so wrong here

like a cloud thats following you the sun can never find it's way thru

my beautiful flower you've got the power i stopped holding on you keep pulling me in my beautiful f
my darkest hour think i'm getting out 'til i see you again

like a cloud that's following you the sun can never find it's way thru

my beautiful flower you've got the power i stopped holding on you keep pulling me in my beautiful f
my darkest hour think i'm getting out 'til i see you again

my beautiful flower you've got the power i stopped holding on you keep pulling me in my beautiful f
my darkest hour think i'm getting out 'til i see you again
