

# Default, Cruel

Oh yeah

Born no longer a baby  
Always trying to keep  
In one place for long, oh long enough to sleep  
Oh sleep and dreams are here the same  
Gone'n got no rest  
They'll no longer speak to you. moving on again

I'm moving on... moving on again  
Well i'm moving...moving on again  
Baby you're so cruel

You're cruel to yourself you never understand  
Boy'l never do ya no harm  
For you to build the frame of the bed you sleep upon  
So spill your milk and honey  
And get your kicks off your next man  
Bigger than you think and you make him go, go on

Oh you make him...moving on again  
Oh he's movinig on...moving on again  
Baby you're so cruel

Thought about the dream is so real now  
These are dreams of mine you're so aimless...so aimless  
You baby, you're so cruel

Wonder what you're gonna think of yourself  
When the phone calls fade away  
As you hold his shoulders, did you think it would come to this day  
Ask yourself why he's off  
When others surround you  
He was one of many on the day that he found you

Oh you're moving...moving on again  
Yeah you're moving...moving on again  
Yeah you're moving...moving on again

Baby you're so cruel
