

# Default, Deny

Today I woke up and you were gone  
The whole day wondering what I did wrong  
It's like I'm falling from a mountaintop  
My heart keeps pounding and it won't stop

Can you see this hell I'm living  
I'm not giving up

Will you crawl to me  
Will you fall with me  
I'll never crawl to you  
I've done it all for you

Well don't deny  
The hand that feeds you needs you  
Oh god I'd die to try to  
Finally please you

There goes a piece of me  
Will I cease to be  
I've never lied to you  
Fought bled and died for you

Well don't deny  
The hand that takes you breaks you  
Oh god I'd die to try to  
Finally please you

There she goes and I'm on the ground, I'm on the ground, I'm on the

Well don't deny  
The hand that feeds you needs you  
Oh god I'd die to try to  
Finally please you

Will you crawl to me  
Will you fall with me  
I've never crawled to you  
I've done it all for you
