

# Default, One Late Night

I've been to the edge and back again  
And I know all there is to know it's a dead end

Late at night I'll come walking by  
Just to see what went wrong  
Late at night you'll come crawling back  
Just to steal a piece of me

I know what the world is made of I've seen it  
You don't have all the answers keep dreaming

Late night I'll come walking by  
Just to see what went wrong  
Late at night you'll come crawling back  
Just to steal a piece of me

Lay down now  
Late at night I'll come walking by
