

Del Reeves, I Forgot More Than You'll Ever Know

You think that you know the smile on her lips
The thrill at the touch of her fingertips
But I forgot more than you'll ever know about her

You think you'll find a heaven of bliss
In each caress and each tender kiss
But I forgot more than you'll ever know about her

You stole her love from me one day you didn't care how you hurt me
But you can never steal never steal away mem'ries of what used to be

You think she's yours to have and to hold
But someday you'll learn when her love grows cold
That I forgot more than you'll ever know about her
I forgot more than you'll ever know about her
