

# Demi Lovato, Body say

If I had it my way  
I would take you down  
If I had it my way  
I would turn you out  
And if my body had a say  
I would come again  
Scared of what I might say  
Cause I'm at the edge

And our eyes are crossing paths across the room  
And there's only one thing left for us to do

You can touch me with slow hands  
Speed it up, baby make me sweat  
Dreamland  
Take me there cause I want your sex  
If my body had a say  
I wouldn't turn away  
Touch, make love, taste you  
If my body told the truth  
Baby I would do  
Just what I want to

If I had it my way  
I would take the lead  
And if I had it my way  
I would take you deep  
If my body had a say  
I'd get it off my chest  
Show you all the red lace  
Underneath this dress

And our eyes are crossing paths across the room  
And there's only one thing left for us to do

You can touch me with slow hands  
Speed it up, baby make me sweat  
Dreamland  
Take me there cause I want your sex  
If my body had a say  
I wouldn't turn away  
Touch, make love, taste you  
If my body told the truth  
Baby I would do  
Just what I want to

My mind's getting in the way  
Can't feel what my body say  
I'm-a tell you anyway  
I'm-a tell you anyway

My mind's getting in the way  
Can't feel what my body say  
I'm-a show you anyway  
I'm-a show you anyway

And there's only one thing left for us to do

You can touch me with slow hands  
Speed it up, baby make me sweat  
Dreamland  
Take me there cause I want your sex  
If my body had a say  
I wouldn't turn away

Touch, make love, taste you  
If my body told the truth  
Baby I would do  
Just what I want to
