

# Demi Lovato & Sam Fischer, What Other People

Thought when i grew up  
I would be the same as the ones who gave me  
Last name  
I would not give in  
I would not partake  
In the same old drugs everyone else takes

I am better than that /2x  
I am living my life so i go to heaven and never come back  
But look where i a mat, look where i a mat  
I I am living my life i said i wouldn't, i wannna go back

I used to call my mom every Sunday  
So she knew her love wasn't far away  
But now i am all fucked up out in LA  
Cause i care more about waht other people say  
I used to not take chances with God's name  
But it's been so long since i last prayed  
But now i am all fucked up and my heart's change  
Cause i care more about what ther people say  
Cause i care more about what other people say

i wish i could shelter the girl i knew  
form the constant hell i put her trough  
cause i am all grown up  
and i am black and blue  
i could use soem tape  
i could use some glue

I am better than that /2x  
I am living my life so i go to heaven and never come back

I used to call my mom every Sunday  
So she knew her love wasn't far away  
But now i am all fucked up out in LA  
Cause i care more about waht other people say  
I used to not take chances with God's name  
But it's been so long since i last prayed  
But now i am all fucked up and my heart's change  
Cause i care more about what ther people say  
Cause i care more about what other people say

Though whne i grew up  
I would be the same as the oens who gave me my last name

I used to call my mom every Sunday  
So she knew her love wasn't far away  
But now i am all fucked up out in LA
