

Dermot Kennedy, Giants

We used to be giants
When did we stop?
Just say the word and i'll be yours
You know i never forgot

The hope and the hurt
Has lived inside of me
But there's gold in the dirt
I never took the time to see
But i know f its worth
When you walked besides of me
And my hands fits in yours
Liek a bird would find the breeze

We used to be giants
When did we stop?
Just say the word and i'll be yours
You know i never forgot
wE wreE silence the song of the silence but time catches up
Just say the word and i'll be yours
You know i never forgot

I know for the start
That you'd be th eone oto set me free
Thet day in the park
When ythe hurt would hgide me from
These eyes used to know me
It's been way too long
You are the moon and the stars
And they all gaze upon
Time won't ever move slowly
What you waiting on?

We used to be giants
When did we stop?
Just say the word and i'll be yours
You know i never forgot
Qw qwre silence the song of the silence but time catches up
Kjust say the word and i'll be yours
You know i never forgot
