

# Dexter Freebish, Deeper

At the end of the day, and into the night,  
That's when I get my peace and quiet.  
I'm on a fast ride, and I wanna get off.

Whatever I do, whatever I say,  
Is anyone listening anyway?  
I'm fallin' deeper and deeper and deeper down below.  
Ooooh ooooh, here I go again.  
Ooooh ooooh, help me understand.

At the end of the day, and into the night  
That's when the darkness gives me light.  
I can see clearly what is right in front of me  
I'm fallin', and I'm callin', and no one can hear me shout  
Or maybe, I'm crazy, and I'm screaming in the wrong direction

Whatever I do, whatever I say,  
Is anyone listening anyway?  
I'm fallin' deeper and deeper and deeper down below.  
Ooooh ooooh, here I go again.  
Ooooh ooooh, help me understand.  
Yea ooh ooooh oh oh here I go again  
Ooh ooh, help me understand.  
Yea, yea, I'm drowning, can't you see?

I'm on a train that's jumped it's tracks,  
I'm not sure how I'm gonna get back.  
Somebody please help me off my knees  
I'm asking, anybody please!

Ooooh ooooh, here I go again.  
Ooooh ooooh, help me understand.  
Yea ooh ooooh oh oh here I go again  
Ooh ooh, help me understand.  
Yea, ooooh ooh
