

Dick Haymes, Laura

Laura

Dick Haymes

Words by Johnny Mercer and music by David Raskin.

Theme melody from the film "Laura";

Introduced by Johnny Johnston on radio.

Laura is the face in the misty lights.

Footsteps that you hear down the hall.

The love that floats on a summer night,

That you can never quite recall.

And you see Laura on a train that is passing through.

Those eyes how familiar they seem

She gave your very first kiss to you,

That was Laura but she's only a dream.
