

Dick4Dick, Action Man

People know bad side of my dick
Cause I am Action Man
Who's back to the final game
Cause I am Action Man

Down on your knees
And smell my sweat
Smell of Action Man

On ...
Huge till the end
Cause I am Action Man

..
Show me that
Cause I am Action Man
She was pleased as a child
When I licked her
Taste of Action Man

How..
Are we do it again?
Cause I am Action Man
You'll spend some time with my little friends
Big Action Man

Do it again
We do it again
Do it again
We do it again
Do it again
We do it again
Do it again
We do it again
Do it again
We do it again
Do it again
We do it again
Do it again
We do it again
Action Man ... my girlfriend
