

Die Antwoord, I Don't Dwank

[Group argument: Ninja, Yolandi, and DJ Hi-Tek]

Ninja, Yolandi? Fuck, bro?

Fuck, dude, I'm so fucking pissed off, oh

Like can you not drop fucking-fucking drop ash on my fucking carpet?

Sorry, dude, sorry

You know that fucking picture with the-with the chick with the big tits and the American bikini?

Jissus

Yeah, yeah, yeah?

Well, it's just—fuck

You just fucking shit up when you come, dude, let's just have some fucking respect, bro

You keep-keep fucking saying—oh, and she said (???) "Yolandi Visser"

Have some fucking respect, dude

It wasn't me, dude, sorry, dude

She fucking said-I didn't say—

I don't even like-I don't even like you guys smoking in here!

Okay, I'm not talking to yo- just, shush, just

Can't I just fucking—just drop the fucking beat

Hold up, no, no, no, you—

Actually, you know what? I'm not gonna fucking drop the fucking beat

Fuck you guys

Fuck you

Okay, well then

Fuck a beat

[Verse 1: Ninja]

Yo, I don't fuck up or suck up to anyone

I wake up when I want, make our props, get paid out my asshole

My DJ's the mothafuckin' business

Every time he hits me with a beat I'm like Jesus!

I don't need anyone to help me

Dropped my record label I'm still very fuckin' wealthy

Money's not a problem, cash flow healthy

Vodacom was too expensive so I switched to Cell C

I don't ask famous people for their picture

When you see me on the streets just, be cool with the Ninja

Don't lose your fuckin' mind just say "Hi, how you feelin'?"

I'll say fine

Now stop freaking out and tweaking and start eating up my time

I don't hand people my fucking demo

Plus I never used to

Just make a track and drop that shit on YouTube

Quit steppin' to me dwankin' out

Try to fucking suck up

Just let your shit speak for itself and shut the fuck up!

[Yolandi]

Yooo.. fuck!

Drop the fucking beat Hi-Tek

Drop the beat nigga!

[Verse 2]

Fuuuuck.. Jissis

[Yolandi]

Don't blame me girl go blame Anies

And we won't stop 'til we fuckin' go pop
Life's a fuckin' soap opera
When you so popular
Don't fuck with little Miss Visser cause I'll fuck you up
I don't care
What you fuckin' think
Next time you try fuckin' with me maybe stop and think
"Why the hell am I so bothered by this chick?"
Am I maybe jealous or just fuckin' retarded

[Verse 3: Ninja]

Hahaha
Yo

I walk right through
You know who I fuckin' am man
Who the fuck are you?
When I'm in the club I get more chicks than I can manage
Grinding me front and back like a Ninja fuckin' sandwich
So don't stress
Everything I do is so sex
My style is so sex

My vibe is so fresh
My rhyme's are so next
Zef god with the spark might as well flex
Don't send mothafucka's "Please call me!"'s
Uh-uh

By my fuckin' stressed life
Me a little blessed life
Mama I don't lose
Betta' luck next time
Sucka's step back
You don't want to see Ninja snap
When I'm in South Africa I speak like I'm black
If you not a fan, why you keep coming back?
