

Die Antwoord, Never Le Nkemise 2

[Ninja]

South Africa, 2012

We in the future now

Just because the whole world's gone dwanky

Doesn't mean we fucking going to go out like that too

Fuck the system

We have our own system

We make our own rules

We don't answer to no one

That's right, we keep it gangsta

We keep it zef

[Yo-Landi]

We keep it pumping off its moerefokking face

[Ninja]

One time

Vuil-geboosted warrior styles

Yo, DJ Hi-Tek

Gooi rooi, homeboy

[Outro: Kamal Sacranie, Zimiś & Zwaai]

Never le nkemise

Never le nkemise

Never le nkemise

Le ka zama mara never leloke
