Hello baby

[Hook: Ninja]

Know what I'm saying? Uh

[Verse 1: Ninja]

I don't give a fuck, I'm an animal  
Smile for the camera, grab my balls  
Backstage, just boobs and ass galore  
Feel like a kid in a motherfucking candy store  
My man Leo come in handy yo  
Roaming, zoning for them fancy hoes  
With the nicest asses  
Slanging them backstage passes  
Clink them champagne glasses  
I'm living in a man's world  
Sprinkled with a little bit of fan girls  
Pick one, slang a bit of chit chat  
Let me see where this motherfucking shit's at  
You got a boyfriend? Don't worry, I won't tell  
Let's fuck off to a five star hotel  
Sorry guy, chicks dig big dicks  
Here we go girl, room 6-6-6

[Hook]

[Verse 2: Ninja]

We keep it gangsta, put your fucking hands up  
Rolling in a matte black Subaru  
Met dik getinted vensters  
DVD player on my dashboard pumping freaky porn  
Vodka in my OJ keep me warm  
My lifestyle's wild, I party in the ghetto  
Don't fuck with me, they'll find your body in a meadow  
Got friends in low places, dark friends with no faces  
Who rock sneaks with no laces  
Rou chappies, no front teeth  
Ninja's a mother fucking bad boy  
The lucky fan girls know what I'm speaking about  
Here we go girl, don't start chickening out  
You look real cute with my dick in your mouth

[Hook]

[Bridge]

Maak my jas, Maak my jas  
Maak my maak-my-maak-my jas  
Maak my jas, Maak my jas  
Maak my maak-my-maak-my jas  
Maak my jas, Maak my jas  
Maak my maak-my-maak-my jas  
Maak my jas, Maak my jas

[Verse 3: Ninja]

I think we're alone now  
There doesn't seem to be anyone around  
So pump that big booty to the bass  
Rub them sweet boobies in my face  
Whatcha looking at? Told you it's big!  
"Wat Kyk Jy?" tattooed on my dick, uh  
It's about that time, honey  
Slide my schlong into your slime bunny  
Uh, say my name, bitch  
(Ninja! Ninja!)  
Zefside Ninja, spit so slick  
I rap so good cause my dick's so big  
Ek's lief vir my groot moerefokken penis  
Switch the fucking lights off, all I wanna hear is
