Diesel Boy, Fiona's Apple

Me, I'm nothing but a goddamn liar Set me loose on the wolves I am hungry Hope the sides of the dice add to seven Cuz I won't be back Clean your plate and masturbate and fill the world with pride and joy And look him, he's such a dream, he's mommy's little boy Tell me friends and tell my girlfriend what I said before I said I'm leaving town, I'm outta here, I won't be back no more I just need to believe I have gone away to become a big star I just need to believe A limousine, a record deal, a video I'll make it far Greed, fill your pockets and your swimming pools with silver Build me a temple cuz I'm your fucking hero I've gone off the end of the world And I won't be back
