

# Dima Bilan, Believe

Even when the thunder and storm begins  
I'll be standing strong like a tree in the wind  
Nothing is gonna move this mountain or change my direction  
I'm falling off the sky and I'm all alone  
The courage that's inside is gonna break my fall  
Nothing is gonna dim my light within  
But if I keep going on it will never be impossible  
Not today.

Cause I got something to believe in  
As long as I'm breathing  
There is not a limit to what I can dream  
Cause I got something to believe in  
Mission to keep climbing  
Nothing else can stop me if I just believe  
And I believe in me.

Even when the world tries to pull me down  
Tell me that I can't... try to turn me around  
I won't let them put my fire out  
But if I keep going on it will never be impossible  
Not today

Cause I got something to believe in  
As long as I'm breathing  
There is not a limit to what I can dream  
Cause I got something to believe in  
Mission to keep climbing  
Nothing else can stop me if I just believe  
And I believe...

I can do it all, open every door  
Turn unthinkable to reality  
You see I can do it all and more

Believing as long as I'm breathing  
There is no limit to what I can dream  
Believing mission to keep climbing  
Nothing else can stop me if I just believe  
And I believe in me.
