

Dimitri Vegas & Like Mike, David Guetta, Daddy Yankee

just bought a black ferrari
house in the hills in L.A.
say that you take care of me
sorry, but I don't need a plan like that
don't need a man like that
what you say
you say that you've been on tv
and I should come back to your place
hold up
let me set you straight
schools is in session
let me educate

who the hell
do you think I am
I don't give a fuck about your Instagram
listen up
cause I'm not that girl
ain't enough liquor in the whole wide-world

who the hell
do you think I am?
I don't give a fuck about your Instagram
fly away, little peter pan
now you know who the fuck I am

who the hell?
who the hell?
who the fuck I am ?
