

DJ Antoine vs Mad Mark, VAMPIRES

I'm coming straight with you
You're walking ... and nothing else you can do
Can feel my appetite?
All what you think of is naïve
Naïve
The blood is .. into your vein
I can ... all my hunger now
Don't you be afraid
...

So put your hands in the air
If you're a motherfucker vampire
Coz we never die
Coz we're motherfucker vampires

Vampires meet vampires

Coz we're motherfucker vampires!
