I'm the one, yeah, I'm the one, yeah  
And you sick of all those other imitators

See you watchin', don't run outta time now  
I'm the one, yeah

[Chorus: Justin Bieber & Quavo]  
Oh-eh-oh-oh-oh, eh-oh

[Verse 1: Quavo]  
Quavo! I'm the one that hit that same spot (hit it)  
She the one that bring them rain drops (rain drops)  
We go back, remember criss-cross and hopscotch? (hopscotch)  
You the one that hold me down when the block's hot (hot)  
I make your dreams come true when you wake up (dream)  
And your look's just the same without no make-up  
Had to pull up on your mama, see what you're made of (mama)  
Ain't gotta worry 'bout them commas 'cause my cake up  
You can run inside my life from that fame bus  
'Cause I promise when we step out you'll be famous  
Modern day Bonnie and Clyde what they named us  
'Cause when we pull up—prrr prrr—all angles

[Pre-Chorus: Justin Bieber & (DJ Khaled)]  
Yeah, you're lookin' at the truth  
The money never lie, no  
I'm the one, yeah, I'm the one  
Early mornin' in the Dawn  
Know you wanna ride now (let's ride, let's ride)  
I'm the one, yeah, I'm the one, yeah

[Verse 2: Chance The Rapper]

Uh, she beat her face up with that new Chanel  
She like the price, she see the ice, it make her coochie melt  
When I met her in the club I asked her who she felt  
Then she went and put that booty on that Gucci belt  
We don't got no label  
She say she want bottles, she ain't got no table  
She don't got no bed frame, she don't got no tables  
We just watchin' Netflix, she ain't got no cable, okay though  
Plug, plug, plug, I'm the plug for her  
She want a nigga that pull her hair and hold the door for her  
Baby, that's only me, bitch, it okay with me  
Baby, okay, okay though

[Pre-Chorus: Justin Bieber & (DJ Khaled)]

Yeah, you're lookin' at the truth  
The money never lie, no  
I'm the one, yeah, I'm the one  
Early mornin' in the Dawn  
Know you wanna ride now (let's ride, let's ride)  
I'm the one, yeah, I'm the one, yeah

[Verse 3: Lil Wayne]

Lookin' for the one? Well, bitch, you're lookin' at the one  
I'm the best yet, and yet my best is yet to come  
'Cause I've been lookin' for somebody  
Not just any fuckin' body  
Don't make me catch a body  
That's for any and everybody  
Oh my God! She hit me up all day, get no response  
Bitch, you blow my high, that's like turnin' gold to bronze  
Roll my eyes  
And when she on the molly she a zombie  
She think we Clyde and Bonnie  
But it's more like Whitney and Bobby  
God, forgive me  
Tunechi F finessin', I'm a legend  
Straight up out The Crescent  
Fly your bae down for the Essence  
For the record I knew Khaled when that boy was spinnin' records  
Mula gang winnin' record  
I'm just flexin' on my exes, oh God!

[Pre-Chorus: Justin Bieber & (DJ Khaled)]

Yeah, you're lookin' at the truth  
The money never lie, no
