DJane HouseKat, Girls In Luv (feat Rameez)

Hey girl don't I know you
I can tell you wanna know too
Let me dance you must be antilope
Cause you're an angel in disguise
You'e the apple in my eye I can't denie
I mean you got me mesmerised
Got out these girls in luv but only one got me feeling allright

Romena - was bad polo Katrina - always came over Jacky - loves that whiskey bottle and watch said whan it's over Seline - she's so mental Marina - environmental Got all these girls in luv but only one got me feeling allright

Girls in luv
Girls in luv
She give you everything you
Girls in luv
Girls in luv
She give you everything you

Hey there Mona Lisa
I'm Da Vinci nice to meet ya!
You're like a wild on flow
And I couldn't leave you
You're the cherry in the pie
I mean you got me mesmerised
Got out these girls in luv but only one got me feeling allright

Maria - computergeek Sophia - a superfreak Rosetta - that crazy chick, ahh Rosetta's just a bitch Jennie - to sentimental Mannie - accidential Got out these girls in luv but only one got me feeling allright
