[Verse One]

First of all, you can shut it down baby
Better yet I'm original and not a clown baby
Get down for wars an' I'm, livin my life under the gun
And umm, stay calm no harm, I'm alarmin 'em
And that's the victom of the shorties in my grill
Askin me to keep it real, but shorty I don't pay no bills
Do I gots the flex to get wit cha, paint you a cold picture
See - y'all the ones got me slappin out
And all my homeboys jappin out
Crappin out, love that, where my Crips and my Bloods at?
Lords at, G's at, feedback, need that
Niggaz blaze that weed sack
I'll cop a drop wit that knees fat
Y'all can't see me, best-ta believe that

[Chorus]

[Verse Two]

Spittin blunts, droppin jewels Spittin at hoes, that'll be cool

[Johnny P]
Pay no bills, pay no bills
