

# Donavon Frankenreiter, Make You Mine

From the bottom of the sea  
I'll see you and you'll see me  
Sometimes in contemplation  
Comes love for foundation

But you got to show me a sign  
I said you got to show me a sign

And ill make you mine, mine, mine, mine  
I said ill make you mine, mine, mine, mine  
I'm going to make you mine, mine, mine, mine  
I'm going to make you mine, mine, mine, mine

You said you never had a home  
I gave you my heart and let you roam  
Haven't had time to pack your case  
That's all right let the sunshine on your face

But you got to show me a sign  
I said you got to show me a sign

And ill make you mine, mine, mine, mine  
I said ill make you mine, mine, mine, mine  
I'm going to make you mine, mine, mine, mine  
I'm going to make you mine, mine, mine, mine  
I'm going to make you mine

Well you got to show me  
I said you got to show me, show me

And ill make you mine, mine, mine, mine  
I said ill make you mine, mine, mine, mine  
I'm going to make you mine, mine, mine, mine  
I'm want to make you mine, mine, mine, mine  
I'm going to make you mine, mine, mine, mine  
I'm want to make you mine, mine, mine, mine  
Let me make you mine, mine, mine, mine  
I'm going to make you mine, mine, mine, mine
