Doris Day, Guy Is A Guy

(Oscar Brand)

I walked down the street like a good girl should He followed me down the street like I knew he would Because a guy is a guy wherever he may be So listen and I'll tell you what this fella did to me

I walked to my house like a good girl should He followed me to my house like I knew he would Because a guy is a guy wherever he may be So listen while I tell you what this fella did to me

I never saw the boy before So nothin' could be sillier At closer range his face was strange But his manner was familiar

So I walked up the stairs like a good girl should He followed me up the stairs like I knew he would Because a guy is a guy wherever he may be So listen and I'll tell you what this fella did to me

I stepped to my door like a good girl should He stopped at my door like I knew he would Because a guy is a guy wherever he may be So listen while I tell you what this fella did to me He asked me for a good-night kiss I said, "It's still good day" I would have told him more except His lips got in the way

So I talked to my ma like a good girl should And Ma talked to Pa like I knew she would And they all agreed on a married life for me The guy is my guy wherever he may be

So I walked down the isle like a good girl should He followed me down the aisle like I knew he would Because a guy is a guy wherever he may be And now you've heard the story of what someone did to me

And that's what he did to me
