Doro, Fall For Me Again

I couldn't close my eyes I stayed up all night I thought of promises you gave me for life your words were racing through my head "forever together" I just remembered that you swore you won't lie 'cause you're in love again there's nothing to hide of all the other ones you've had baby you can't fool me, I take no prisoners I have no demands but baby let me make you understand I don't know what you did last night keep your secrets, maybe I'll keep mine watch your step like I told you to I'm keeping my eye on you keeping my eye on you You got the best of me I think that's alright but don't you mess with me you'll never survive 'cause there's a part of you I feel that drives me crazy I've learned to trust myself and nobody else it's in the way you look at me I can tell you try so hard to make me feel good baby I don't buy it I take no prisoners I have no demands but I dont want a lover second hand Repeat Chorus I take no prisoners and I don't take a chance I'd pull the trigger and you'd understand

Repeat Chorus
