

Doro, Rock On

My heart is ragin', my love is waitin'
To find somebody like you
The world is changin'.. 'cause nothin' means a thing
But I'm still searchin'..
Searchin' for a rare diamond
I've been lookin' for you
Tryin' to find those deep feelings
So I can share 'em with you
And stolen treasures tear me apart
Every word just breaks my heart
Lookin' for love.. it's so hard to find
And I'm still searchin'..
Searchin' for a rare diamond
I've been lookin' for you
Tryin' to find those deep feelings
So I can share 'em with you
Ahahahahoh I wanna get to you
Ahahahahoh I wanna share it with you!
It's hard to believe it..
When I look in your eyes, I realize, yes I know!
It's hard not to feel it..
I can't break these chains.. don't wanna lose it again... oh no!
Searchin' for a rare diamond
I've been lookin' for you!
Tryin' to find those deep feelings
So I can share 'em with you! ohohoh
