

Drag On, Move Right Now

[Swizz]

Uhh, yeah yeah yeah
Yo yo, come on
Come on Eve, Swizz Beats
Drag-On baby

[chorus Swizz]4x

We want y'all to move right now

[Drag-On]

Break 'em down
Put 'em up
Shake 'em down
Pat 'em down
Then bat 'em down
Get the gun
Gat 'em down
Get the rope tie 'em up
Strike a match lite 'em up
Then fly 'em up to the spot a pile of dust
Get the chips stack 'em up bag a bitch dig her out
Then kick 'em out let dogs sick 'em out
All I do is tell 'em get the tissue
I only f**k wit chicks that suck nuts out of pickles
You want problems? well I'll solve 'em and make examples
I love bustin out crowds so all people get trampled
Spit crowds wit the 4-5
Like when Moses split the tide
Those that froze chose to die
Stay higher than a hello, how you doin?
Burn the rubber till the tires ruin
Burn a coat of fire human
Cause this Drag
Burnin like the grits on Al Green's back
Causin a switch rock

[chorus]8x

[Swizz]

Hold on dog
Who want some of this, gun right here
All y'all clown niggas put your hands in the air
Is it you over there? Is it you over there?
Is it you, is it you, is it you right there?
Nigga, this ain't that shit that you used to bounce to
This that thing that you smoke a ounce to
I'm gonna do it, even without you
I pop all them clown niggas around you
This for my playas thats swingin the 4-4
Wildin out, bustin at po-po
Comin over here, you got to go yo
