Lickwood means "rewind", gunshot means "forward";  
You requested it so we rewind

Way, way, way up  
Turn it all up  
Yeah  
Look

I got enemies, got a lot of enemies  
Got a lot of people tryna drain me of my energy  
They tryna take the wave from a nigga  
Fuckin' with the kid and pray for your nigga

I got girls in real life tryna fuck up my day  
Fuck goin' online, that ain't part of my day  
I got real shit poppin' with my family too  
I got niggas that can never leave Canada too  
I got two mortgages, thirty million in total  
I got niggas that'll still try fuckin' me over  
I got rap niggas that I gotta act like I like  
But my actin' days are over, fuck them niggas for life, yeah

I got enemies, got a lot of enemies  
Got a lot of people tryna drain me of this energy  
They tryna take the wave from a nigga  
Fuckin' with the kid and pray for your nigga

I got people talkin' down, man, like I give a fuck  
I bought this one a purse, I bought this one a truck  
I bought this one a house, I bought this one a mall  
I keep buyin' shit just make sure you keep track of it all  
I got bitches askin' me about the code for the wif  
So they can talk about they timeline  
And show me pictures of they friends  
Just to tell me they ain't really friends  
Ex-girl she the female version of me  
I got strippers in my life, but they virgins to me  
I hear everybody talkin' 'bout what they gonna be  
I got high hopes for you niggas, we gon' see  
I got money in the courts so all my niggas are free  
'Bout to call your ass a Uber, I got somewhere to be  
I hear fairy tales 'bout how they gon' run up on me  
Well, run up when you see me then and we gon' see

I got enemies, got a lot of enemies  
Got a lot of people tryna drain me of this energy  
They tryna take the wave from a nigga  
Fuckin' with the kid and pray for your nigga

Nah, fuck all of you niggas, I ain't finished  
Y'all don't wanna hear me say it's a go  
Y'all don't wanna see Win Win, 50 a woe  
I got real ones livin' past Kennedy Road  
I got real ones with me everywhere that I go  
I'm tryna tell ya, I got enemies, got a lot of enemies  
Every time I see 'em somethin' wrong with their memory  
Tryna take the wave from a nigga  
So tired of savin' all these niggas, maybe  
Yeah, run up

I got enemies, got a lot of enemies  
Got a lot of people tryna drain me of this energy  
They tryna take the wave from a nigga  
Fuckin' with the kid and pray for your nigga

I'm off this, man
